Transformative Leadership and Social Change (formerly known as Applied Healing Arts) – Academic Calendar

The program begins once yearly in January, and dates are listed below. Between scheduled class sessions students meet with their transformative practice group; however, the format for the meeting is left up to the group to decide.

Please note: The Transformative Leadership and Social Change program weekends commence on Friday evenings at 6:00 p.m.

This program averages 36 months for completion, depending on the pace you set when completing the Independent Study and Project of Excellence portion of the program. The maximum amount of time allowed to complete the program is 60 months.
