

## Ways of Giving / Matching Gifts

# Does My Company Match Gifts?

There are over 1,000 companies that match gifts nationwide. Please check the list below for a partial listing of matching gift companies. If your company is not listed, please check with your employer, this is an easy way to Double Your Gift. Because employers consider matching gifts a benefit to their employees, your human resource department or personnel office is the most likely source for matching gift forms and information.
